

# SUMMARY OF SERVICES

Classic LifeCare has been providing the finest home care for more than 40 years. We listen to our clients and respond with home care services exactly the way they want them to be.

Our family owned, non-franchised agency is dedicated to quality and service. Classic LifeCare is formally accredited with commendation by Accreditation Canada, a national surveyor promoting the highest standards of community health care in Canada.

## Personal Support

Personal support and care services can be arranged by the hour and cover a broad range of health conditions and personal needs. Clients guide their care so it suits their personality, lifestyle and interests.
